The organization will then be subject to the attached Canada Summer Jobs Articles of Agreement. The organization agrees under this agreement to provide the job at the hourly wage rate, for the number of hours per week and the number of weeks described in the Calculation of Approved Canada Summer Jobs Contribution Amount document.

Canada Summer Jobs provides wage subsidies to employers to create employment for secondary and post-secondary students. Again this year, Canada Summer Jobs welcomes applications from small businesses, not-for-profit employers, public sector and faith-based organizations that provide quality summer jobs for students.
